Difference of Opinion.

One of the officers of the New York Regiment who returned from Hilo in the Kinau Saturday, in speaking of the typhoid fever that had developed there, said that a certain physician of the Rainy City told him he had not lost a single case of typhoid since he had been there. He attributed a great deal to the damp weather. Several physicians were asked about this yesterday and they stated that, on the contrary, typhoid thrived best where damp weather was prevalent.

A Sure Sign of Croup.

Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and is pleasant to take. For sale by all dealers. Benson, Smith & Co., Gen. Agts.

The Last Car.

The last cars of the King street line going to Waikiki and Palama pass the Anchor Saloon. The cleverest mixologists in the city are there always to put you up anything you may desire. The most exacting and varied demands can be satisfied. The Anchor Saloon is here to please its patrons.
